Jaguar Daimler Heritage Trust regrets that we cannot add any information on a Certificate, which cannot be documented from the original production records, even if such information is supported by reliable evidence from other records not held by Jaguar Daimler Heritage Trust.

Jaguar Daimler Heritage Trust does not inspect vehicles which are being researched. While a Certificate confirms the original details of a vehicle researched from the chassis number, a Certificate is not in itself a confirmation of the identity, provenance, originality, or present condition of a particular vehicle.

The name of the applicant, or another party nominated by the applicant, will appear on the Certificate. Jaguar Daimler Heritage Trust will not issue Certificates without a name, whether of a proper person or of a company.
