RE: Chassis No. DRE 24808

Dear Mr. Dale:

Thank you for your letter of April 4 regarding the work carried out by Max of Switzerland on their Invoice #F3960.

Although the charges made appear reasonable and are fairly chargeable due to the fact that the body warranty on your car has expired, I have asked the Zone Engineer responsible for Arizona to look into the matter a little further and to contact you as soon as he has completed his investigation.

In the meantime, perhaps you would bear with us.

Yours sincerely,

ROLLS-ROYCE MOTORS INC.
